I have removed my working papers from my website in order to prevent Google from indexing them in Google Scholar.

They can now be accessed at the following links:

News Reading Publics and Audience Fragmentation in a Multi-lingual Political Context

http://bit.ly/sm-nrp

The Ideological Landscape of Twitter Elites in the United States

http://bit.ly/sm-ilt

Choosing to Avoid? A Conjoint Experimental Study to Understand Selective Exposure and Avoidance on Social Media

Main text: http://bit.ly/sm-cta

SI: http://bit.ly/sm-cta-si

What Counts as a Weak Tie? A Systematic Comparison of Thresholding Techniques for Analyzing Weighted Audience Networks
